MOL Techno-Trade, Ltd. Opens Representative Office in Houston, Texas(USA)

- Strengthening the supply of spare parts and ship's stores at the North America Gulf and Latin America -

MOL Techno-Trade, Ltd. (President: Mr. Shugo Aoto, Head office: Chuo-Ku, Tokyo, hereinafter referred to as "MOLTECH") have opened a representative office in Houston, Texas (USA) as of 1st September, 2016.

With the shale gas and offshore resource project and widening of the Panama Canal in the North America Gulf and Latin America waters, increase of the number of resource energy ships and container ship fleet, and upsizing of vessels are expected, and MOLTECH's Houston base will respond to customer's needs for local supply of ship's spares, stores and environmental friendly products such as PBCF (Propeller Boss Cap Fins).

MOLTECH will positively develop its long time experience in marine technology and know-how in a global scale and will continue to contribute to vessel's safe navigation and to the environment.
